**WOMEN READ THE ADS.**

Live newspapers make an effort to  
put before the public the fact that "It  
pays to advertise." But it is not of-  
ten that a woman will clip an article  
that deals with advertising and bring  
it to the desk. She is just an ordi-  
nary every-day wife and mother but  
finds time to read. And this is what  
she handed in:

**Who Should Advertise.**

It is truly said: "Advertising is  
the education of the public as to who  
you are, where you are, and what you  
have to offer in the way of skill, tal-  
ent, or commodity. The only man  
who should not advertise is the one  
who has nothing to offer in the way  
of advice or who cannot make good."

**APPRECIATIONS**

Several nice Christmas greeting  
cards have reached the desk, notable  
among which is one from J. P. Rob-  
ertson, grocer, and one from the  
wholesale stationery firm of Buntin,  
Gillies & Co. of Hamilton. One of  
the most appreciated is a personal let-  
ter from J. A. Campbell, manager of  
the Grimsby branch of the Bank of  
Hamilton. The idea is unique and  
will surely be appreciated by all re-  
cipients. The letter reads:

Bank of Hamilton, Grimsby,  
Dec. 23, 1921.

Messrs. Jas. A. Livingston & Sons,  
Publishers, Grimsby.

Gentlemen:—I take this opportu-  
nity of thanking you for your business  
in the past year and can assure you  
that we will give your account our  
best service in the coming year.  
Wishing you and all your staff the  
compliments of the Holiday Season  
and All Prosperity in the New Year.  
I remain, yours faithfully,  
J. A. Campbell,  
Manager.

On December 7, 1921, The Inde-  
pendent started a new era in its  
career by the advancing from a six-  
column to a seven-column paper,  
which of course necessitated the pur-  
chasing of a different paper on which  
to print the larger size. As is usual  
the wholesale house was taken into  
consultation in order to get the best  
suitable stock. Several have remark-  
ed the improvement and the follow-  
ing letter from the wholesalers shows  
that they are at least not ashamed of  
the stock supplied and verify the  
opinions expressed by others locally:

Hamilton, Ont., Dec. 29, 1921.

Messrs. Jas. A. Livingston & Sons,  
Grimsby, Ont.

Gentlemen:—  
Mr. Rason has given us the two  
copies of The Independent, which he  
received when recently in Grimsby.  
The paper is very pleasing and  
should be an increasing factor for  
good in your town. We are glad that  
the paper we shipped you shows up to  
good advantage therein.  
Wishing you the compliments of the  
Season and prosperity for the coming  
year, we are,

COUNCIL 1922**

Men and Women:

In over thirty years of news-  
paper work I have sat at many  
Council meetings and have had  
unlimited opportunity to study  
municipal affairs; also I have  
read and re-read "The Municipal  
Act" which book some of my op-  
ponents do not even know the ex-  
istence of.

In asking your support as a  
candidate for the Council of 1922  
I can assure you that the knowl-  
edge thus gained will be used to  
your advantage.

We have been property own-  
ers and taxpayers in Grimsby for  
over fifty years, and I am selfish  
enough to want our taxes not  
raised, any more than you do  
yours. But all reasonable im-  
provements will have my  
thorough sanction.

In anticipation, I thank you,

## Our New Year Resolution

"WELCOME, 1922! We are pledged to one New Year resolve for the coming year—to use Long Distance more for both business and social purposes!"

"As a business man, my books show I didn't use it enough in 1921. Those who used it more came out better—and I'll tell you why:—

"Service is the bed-rock of business to-day—and service is personal. There is no way in which so much personal service can be rendered to so many people, as by Long Distance.

"The consumer and dealer look on Advertising and Long Distance as the source of news of new styles and new prices. Long Distance has ended the isolation of small towns. It enables them to keep the rapidly-growing small-town trade at home.

"The Smiths and Browns and Robinsons whose shopping trips to town were formerly planned weeks ahead, now buy advertised goods by Long Distance.

"It enables us to go after sales direct. A letter is a good peddler or order-taker, but it rarely makes a sale. Only salesmen, make sales, and they can make lots of them by Long Distance.

"So bring us good luck and prosperity, 1922, and with raised hands we pledge ourselves to use Long Distance more."

As you watch the Old Year out and the New Year in, why not greet distant friends by Long Distance? The Night rate on Station-to-Station calls is very low.

### SUPPLYING WINE TO YOUTHS UNDER AGE

In police court Wednesday the Canadian Grape Products Company of Jordan was charged by License In-

spector King with giving, selling or

supplying liquor to Charles Lampman

a person apparently under the age of

21 years.

F. H. Hetherington prosecuted. W.

T. Henderson, Brantford, defended.

Lampman, who lives four miles

west of Smithville, drove to Jordan on

the night of November 25, having

with him two companions, one named

Earl Top. Lampman said he was 17

years of age. It was between 11 and

11.30 when they reached Jordan and

went to Mr. Hynes' home and awak-

ened him. He came to the winery

and sold Lampman a case of wine for

\$9. Haynes did not ask his age.

Prior to buying the wine, they were

each given a couple of sample drinks.

Witness admitted that he gave a

false address, saying that he lived in

Hamilton.

Inspector King said he wouldn't

take Lampman to be 21, though he

was free to admit, persons might dif-

fer.

Archie Hynes, vice-president of

the company said the company was

very strict about whom it sold to.

He had no doubt whatever in his own

mind that Lampman was over 21, or

he wouldn't have got the wine.

To Mr. Hetherington, witness said

he sized Top up as being about 20

years old.

"And yet you gave him two drinks

of wine!" said Mr. Hetherington.

The magistrate said it was perfectly

clear that the official of the company

had treated the boys twice before the

purchase was made. If the comp ny

is so particular as to whom it sells,

it should be just as particular to

whom it gives. It was illegal to give

those two drinks to Top, a boy of 20.

"I may say that if it hadn't been

for those drinks, I'd have hesitated

in recording a conviction," said the

magistrate, "as is it I will impose

the minimum penalty of \$50."—St.

Catharines Standard.

### BUY SIXTEEN SUITS OF CLOTHES AT ONE TIME

With prices as existing levels, how

many men will buy sixteen suits of

clothes at one time? As far as can

be learned Wallace Reid is the only

man who enjoys this unique distinc-

tion. His mark of sixteen suits at

one order is said to be the record in

this respect. It was just part of the

preparatory work in connection with

the filming of Cecil B. DeMilles latest

Paramount picture "The Affairs of

Anatol" which will be the feature at

Moore's theatre on Thursday Decem-

ber 29th.

Mr. Reid plays the role of Anatol

in the all star cast which includes

Gloria Swanson, Elliott Dexter, Wanda

Hawley, Bebe Daniels, Monte Blue,

Theodore Kocloff, Raymond Hatton,

Julia Faye and Polly Moran. "Anatol"

is a young man about town, of con-

siderable means and carelessly fash-

ionable in his attire. The screen war

drobe for this role included sixteen

suits of clothes.

This collection includes a number

of business suits, hunting clothes,

motoring clothes, fashionable after-

noon, dinner and evening clothes, golf

clothes and several less important

costumes. Practically all of the suits

are of distinctive cut and pattern and

cannot be used again for screen wear.

### GAINSBORO COUNCIL

Council met pursuant to adjourn-

ment. Members all present.

Communications were read from

Hydro-Electric Power Commission,

enclosing agreements, which they re-

quested the council to have executed

If they wanted Hydro power for the

residents of the municipality; from

C. S. Holmes, tax collector, stating

that he had been unable to collect all

the taxes and asking for an extension

of time to complete the collection.

On motion, the collector's time for

returning the roll was extended until

next council meeting.

Accounts paid:

lowance and com. fees \$14.00; Harlan

## EYESIGHT

the most valuable of all senses is the most neglected and the least understood.

Many suffer from ill that upon examination can be traced directly to defective sight.

The removal of the cause will often restore the delicate and rundown sufferer to robust health. When glasses are properly prescribed they restore the vision to normal and eliminate all eyestrain.

C. M. Gorton, of the Dominion of Canada Guarantee and Accident Insurance Company, was a visitor in Grimsby this week. Jas. A. Livingston is one of the oldest policy holders in this district and Mr. Gorton always makes it a point to visit The Independent when in Grimsby.

D. E. Swayze has purchased the three house property known as the "Rectory" on Main street west, from Fred Parsons. It is the intention of "D. E." to make extensive alterations to the building in the spring and convert it into a large apartment house.

St. Catharines is one of the nine cities which have been selected by the Ontario Government Savings Bank Department in which to open up branch deposit banks in connection with the rural deposit scheme. In addition to the nine cities Toronto will have two branch banks, which they expect will be in operation by the New Year.

The death occurred in Anyox, B. C. on Friday, November 25th of Mrs. Ralph Cook, who previous to her marriage was Miss Arla Michener, daughter of Mr. and Mrs. A. F. Michener, formerly of Grimsby and a niece of Mrs. Richard Shannon and Mrs. W. L. Hail. The deceased lady was born in Grimsby and moved to British Columbia with her parents when a little child.

A grand entertainment will be given by the pupils of Miss Jones' Mountain View school in Moore's Theatre on Tuesday, January 17 at 7.30 sharp. The program will consist of musical Swedish drill, action plays, etc., and a play entitled "Nature's Frolic." This will be a repetition of the entertainment given in the school last year and was so successful that it was repeated on Saturday evening Dec. 17 and all on to be a success. The proceeds are to be devoted to St. Andrews church gymnastic club.

The inmates of the Lincoln County Industrial home at St. Catharines had a most enjoyable Christmas Day. At noon a bountiful Christmas dinner was served consisting of turkey and cranberry sauce and all the trimmings that go to make up a wonderful feast. The Women's Institute of St. Catharines and several other organizations all contributed fruits, nuts, candies and other dainties to make the old people happy. On Sunday afternoon Mrs. Cameron and the Sunday School classes of St. Thomas church, St. Catharines put on a delightful entertainment for the amusement of the inmates.

Evidently the Ontario Government intends to regulate the various motor bus services operating on routes in the Hamilton vicinity. Lately Government officials, who are making the survey, have been active in counting and tabulating the number of passengers being carried on radial cars and motor busses between Hamilton and Dundas, Burlington and Beamsville. It is said that there are too many busses in use and the fact that comparatively few passengers are using them does not justify the wear and tear of the roads on which they ply.

Reeve Marsh and Clerk Randall are in Toronto interviewing F. A. Dallyn, Chief Engineer of the Provincial Board of Health, in regard to getting permission to lay water mains in the Lakeview Gardens survey. This work must be sanctioned by the Provincial Board of Health, but without question, Messrs. Marsh and Randall will get the necessary permit. The owners of the property have guaranteed the Water Commission as to amount used and the construction of this extension will mean work for probably twenty-five or thirty men for nearly two months and Messrs. Marsh and Randall aim to get it started in order to eliminate any question of unemployment.

## GOOD-BYE 1921

The world has passed through a troubled year—unrest, epidemics, unemployment with its poverty and distress, labor troubles, crop failures, etc., have combined to make it a year of sadness and misery for many nations and innumerable families.

Canada as a nation, however, has been fortunate—it is unfortunately true that we have had unemployment and its evils, but generally speaking, we are in a better position than any country on earth.

The coming year we believe will provide a wonderful change for the better—the Disarmament Conference has been a practical success; the Irish question is apparently settled; sterling is on the rise; the world generally is losing its spirit of unrest and is settling down to business.

We believe that soon this country will be in full swing; that the factories will all be operating on a full-time basis; that employment will be plentiful and that unemployment with its evils will cease.

For those of you to whom 1921 has been a year of joy and happiness it is our hope that the coming year will add to that joy and happiness.

For those, who through sickness, through loss of loved ones, through poverty or distress, have found 1921 a year of sadness and misery, we trust that the NEW YEAR will bring HEALTH, HAPPINESS and PROSPERITY.

**WOMEN READ THE ADS.**

Live newspapers make an effort to  
put before the public the fact that "it  
pays to advertise." But it is not of-  
ten that a woman will clip an article  
that deals with advertising and bring  
it to the desk. She is just an ordi-  
nary every-day wife and mother but  
finds time to read. And this is what  
she handed in:

**Who Should Advertise.**

It is truly said: "Advertising is  
the education of the public as to who  
you are, where you are, and what you  
have to offer in the way of skill, tal-  
ent, or commodity. The only man  
who should not advertise is the one  
who has nothing to offer in the way  
of advice or who cannot make good."

APPRECIATIONS

Several nice Christmas greeting  
cards have reached the desk, notable  
among which is one from J. P. Rob-  
ertson, grocer, and one from the  
wholesale stationery firm of Buntin,  
Gillies & Co. of Hamilton. One of  
the most appreciated is a personal let-  
ter from J. A. Campbell, manager of  
the Grimsby branch of the Bank of  
Hamilton. The idea is unique and  
will surely be appreciated by all re-  
cipients. The letter reads:

Bank of Hamilton, Grimsby,  
Dec. 23, 1921.

Messrs. Jas. A. Livingston & Sons,  
Publishers, Grimsby.

Gentlemen:—I take this opportu-  
nity of thanking you for your business  
in the past year, and can assure you  
that we will give your account our  
best service in the coming year.

Wishing you and all your staff the  
compliments of the Holiday Season  
and All Prosperity in the New Year.  
I remain, yours faithfully,

J. A. Campbell,  
Manager.

On December 7, 1921, The Inde-  
pendent started a new era in its  
career by the advancing from a six-  
column to a seven-column paper,  
which of course necessitated the pur-  
chasing of a different paper on which  
to print the larger size. As is usual  
the wholesale house was taken into  
consultation in order to get the best  
suitable stock. Several have remark-  
ed the improvement and the follow-  
ing letter from the wholesalers shows  
that they are at least not ashamed of  
the stock supplied and verify the  
opinions expressed by others locally:

Hamilton, Ont., Dec. 20, 1921.

Messrs. Jas. A. Livingston & Sons,  
Grimsby, Ont.

Gentlemen:—

Mr. Rason has given us the two  
copies of The Independent, which he  
received when recently in Grimsby.  
The paper is very pleasing and  
should be an increasing factor for  
good in your town. We are glad that  
the paper we shipped you shows up to  
good advantage therein.

Wishing you the compliments of the  
Season and prosperity for the coming  
year, we are,

Yours truly,

thod of doing the family churning.  
That was one of the hated chores of  
long ago, and it had to be done be-  
fore breakfast. Times have changed,  
the drudgery has been eliminated and  
the hated monotony has now become  
a labor of love. The same old churn  
will do but it must be more than half  
full of cream. During the operation  
the lid must be screwed down and  
the whole contraption bolted to the  
bottom of a car; a Ford will do. Now  
everything is ready, and after run-  
ning four miles and back over any  
part of the Ontario Road System the  
work will be done and the dairymaid  
may skim off the butter. We can't  
vouch for the success of the work but  
pass it on to those who have the  
churn, the cream, the car and the  
courage to try out the experiment.  
We are told that the car should not  
travel at a rate of more than six  
miles an hour, as the agitation will be  
excessive and the butter liable to be  
too soft and lacking in fibre.

For

**ALDERMAN**

1922

Motto: Service and Economy.  
A prosperous New Year to all.

After several years residence in  
Grimsby, and after the importun-  
ities of many electors I have de-  
cided to become a candidate for

**ALDERMAN**

FOR 1922

I solicit your vote and promise to  
do my best for the interests of the  
Town of Grimsby.

**PHILIP TREGUNNO**

**TOWN OF GRIMSBY  
COUNCIL 1922**

Men and Women:

In over thirty years of news-  
paper work I have sat at many  
Council meetings and have had  
unlimited opportunity to study  
municipal affairs; also I have  
read and re-read "The Municipal  
Act" which book some of my op-  
ponents do not even know the ex-  
istence of.

In asking your support as a  
candidate for the Council of 1922  
I can assure you that the knowl-  
edge thus gained will be used to  
your advantage.

We have been property own-  
ers and taxpayers in Grimsby for  
over fifty years, and I am selfish  
enough to want our taxes not  
raised, any more than you do  
yours. But all reasonable im-  
provements will have my  
thorough sanction.

In anticipation, I thank you,

**A.M. MILLWARD**

Grimsby, Dec. 27, 1921.

**To the Electors of the  
Town of Grimsby**

Having served you to the best  
of my ability in the Council for  
1921, I again solicit your support  
for re-election for the Council of  
1922.

**E. E. FAREWELL**

**To the Electors of the  
Town of Grimsby**

I have accepted the nomina-  
tion for Councillor for the year  
1922 and as I will be unable to  
make a personal canvas I take  
this opportunity of asking your  
support.

## Our New Year Resolution

"WELCOME, 1922! We are pledged to one New Year resolve for the coming year—to use Long Distance more for both business and social purposes!"

"As a business man, my books show I didn't use it enough in 1921. Those who used it more came out better—and I'll tell you why—"

"Service is the bed-rock of business to-day—and service is personal. There is no way in which so much personal service can be rendered to so many people, as by Long Distance."

"The consumer and dealer look on Advertising and Long Distance as the source of news of new styles and new prices. Long Distance has ended the isolation of small towns. It enables them to keep the rapidly-growing small-town trade at home."

"The Smiths and Browns and Robinsons whose shopping trips to town were formerly planned weeks ahead, now buy advertised goods by Long Distance."

"It enables us to go after sales direct. A letter is a good peddler or order-taker, but it rarely makes a sale. Only salesmen make sales, and they can make lots of them by Long Distance."

"So bring us good luck and prosperity, 1922, and with raised hands we pledge ourselves to use Long Distance more."

As you watch the Old Year out and the New Year in, why not greet distant friends by Long Distance? The Night rate on Station-to-Station calls is very low.

### SUPPLYING WINE TO YOUTHS UNDER AGE

In police court Wednesday the Canadian Grape Products Corp. of Jordan was charged by License Inspector King with giving, selling or supplying liquor to Charles Lampman a person apparently under the age of 21 years.

F. H. Hetherington prosecuted. W. T. Henderson, Brantford, defended.

Lampman, who lives four miles west of Smithville, drove to Jordan on the night of November 25, having with him two companions, one named Earl Top. Lampman said he was 17 years of age. It was between 11 and 11.30 when they reached Jordan and went to Mr. Hynes' home and awakened him. He came to the winery and sold Lampman a case of wine for \$9. Hynes did not ask his age.

Prior to buying the wine, they were each given a couple of sample drinks. Witness admitted that he gave a false address, saying that he lived in Hamilton.

Inspector King said he wouldn't take Lampman to be 21, though he was free to admit, persons might differ.

Archie Hynes, vice-president of the company said the company was very strict about whom it sold to. He had no doubt whatever in his own mind that Lampman was over 21, or he wouldn't have got the wine.

To Mr. Hetherington, witness said he sized Top up as being about 20 years old.

"And yet you gave him two drinks of wine," said Mr. Hetherington.

The magistrate said it was perfectly clear that the official of the company had treed the boys twice before the purchase was made. If the company is so particular as to whom it sells, it should be just as particular to whom it gives. It was illegal to give those two drinks to Top, a boy of 20.

"I may say that if it hadn't been for those drinks, I'd have hesitated in recording a conviction," said the magistrate, "as it is I will impose the minimum penalty of \$50."—St. Catharines Standard.

### BUY SIXTEEN SUITS OF CLOTHES AT ONE TIME

With prices as existing levels, how many men will buy sixteen suits of clothes at one time? As far as can be learned Wallace Reid is the only man who enjoys this unique distinction. His mark of sixteen suits at one order is said to be the record in this respect.

It was just part of the preparatory work in connection with the filming of Cecil B. DeMilles latest Paramount picture "The Affairs of Anatol" which will be the feature at Moors theatre on Thursday December 29th.

Mr. Reid plays the role of Anatol in the all star cast which includes Gloria Swanson, Elliott Dexter, Wanda Hawley, Bebe Daniels, Monte Blue, Theodore Kocloff, Raymond Hatton, Julia Faye and Polly Moran. "Anatol" is a young man about town, of considerable means and carefully fashionable in his attire. The screen wardrobe for this role included sixteen suits of clothes.

This collection includes a number of business suits, hunting clothes, motorizing clothes, fashionable afternoon, dinner and evening clothes, golf clothes and several less important costumes. Practically all of the suits are of distinctive cut and pattern and cannot be used again for screen wear.
